

Hi,

Joshua is using this new unemployment income coverage app with Dynamis. It uses his social network to simultaneously verify his employment status and assist him to find his next job. He needs your help. Can you take two minutes to respond to these three questions?

1. Do you know if Joshua is still looking for work?

Yes he is looking for work

- No I think he is currently working
- I don't know if he is looking for work

This app is verifying employment and a payment award isn't released until his social network can help. Did you already receive an email from him asking for your help?

Yes I did receive the email and I am willing to help.

No I did not receive the email

- I cannot help validate his employment status at this time

Ok it's been resent please if you could check it and we will check back with you tomorrow.

If there is any questions as to their status please contact them at: 817-751-XXXX or joshuad31 (at.) yahoo.com if you could check with him and we will check back with you tomorrow

2. Can you help Joshua find his next job?

- If I hear of any openings sure

Yes I can refer him to a possible opportunity

- Not right this minute sorry

Great their contact info is:

Email: joshuad31 (at.) yahoo.com

Phone: 817-751-XXXX

LinkedIn: linkedin.com/in/joshuadavis31

3. Finally do you have any advice or words of encouragement you would like to send Joshua?

Never give up

Thank you for verifying Joshua's employment status and for helping him maintain his income coverage award. For more info on how Dynamis works go to www.dynamisapp.com
